Dear Local Fleet Manager,

Let us introduce ourselves as your local Bosch Car Service - the experts in managing the servicing, maintenance and repair requirements of all vehicle makes and models according to their manufacturer's warranty specifications. The worldwide Bosch Car Service network has over 13,000 workshops with the competence you can trust. By partnering with Bosch, who are an approved automotive component supplier to many of the world's vehicle manufacturer's, we regularly take part in Bosch technical training to stay abreast of technology and keep our customer's vehicles in top working condition.

8 Top Reasons why switching to Bosch Car Service will benefit your fleet of vehicles:

1. Our work is always carried out according to the vehicle's manufacturer's specifications, thus ensuring your vehicle's warranty is maintained.
2. We employ qualified trained technicians
3. We use advanced Bosch vehicle diagnostics and offer a clear explanation of any work to be carried out
4. We use Bosch branded replacement products. However, if unavailable in your vehicle type we guarantee the use of another reputable brand.
5. We offer a network nationwide warranty at over 180 Bosch Car Service workshops across Australia
6. Our professional and efficient workshop practices ensure your vehicles are back on the road faster
7. We can tailor a flexible fleet care solution to meet your servicing needs
8. Finally, we are your cost effective alternative to dealer service centres

Our services include and are certainly not limited to:

Oil change

Glass service

Light service

Engine service

Battery service

Tyre service

Brake service

Vehicle inspection

Exhaust service

Cooling inspection
